## ECONOMY RECESSED LIGHTING

  
JUNO LIGHTING GROUP  
by Schneider Electric

## Viewing economy recessed downlighting in a different light

Take a new view on economy lighting with VuLite from Juno Lighting Group. VuLite is an economic alternative for recessed lighting offering a selection of 4", 5" and 6" downlights for use in residential and light commercial applications. The line includes a range of popular trim selections including baffles, cones, adjustables and lensed, providing choices to meet the needs of various lighting applications. Economy does not mean sacrificing the quality and standards you have come to expect from Juno Lighting Group. You can buy and install VuLite products with total confidence knowing that all products are designed and tested to meet UL requirements and are backed by the leader in residential recessed lighting.
