

PRO 30

Surface Mount Tape Light Extrusion

Intended to be used as a modern undercabinet and task lighting tape light based fixture, the Pro 30 features a mountable track that allows for easy snap into installation. Featuring a sloped orientation design, the pro 30 is a great solution for most display cases, shelving units, and other task lighting applications.

- 30° Design perfect for angled task lighting installations
- Best suited for undercabinet, display cases, task lighting
- Frosted lens that protects lights source
- Aluminum extrusion provides excellent heat dissipation
- Field cuttable extrusion, mounting track, and lens
- Compatible with 10-12mm wide tape light
- Requires slot clips for installation

Available Finishes

Anodized Aluminum

Compatible Tape Light

- Single Color (10mm)
- Tunable CCT (10mm)
- RGB (10mm)
- RGBW (12mm) / RGBTW (12mm)
