

BAZZ

MODEL NO.
P13X34CH

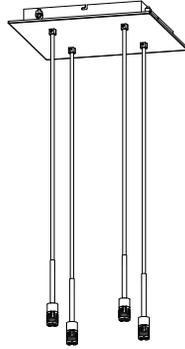

INSTRUCTIONS D'INSTALLATION

Les appareils doivent être installés par un électricien qualifié. Vérifiez les normes et les codes du bâtiment de votre région. Pour réduire les risques d'électrocution lors de l'installation ou de l'entretien, coupez l'alimentation électrique.

INSTALLATION INSTRUCTIONS

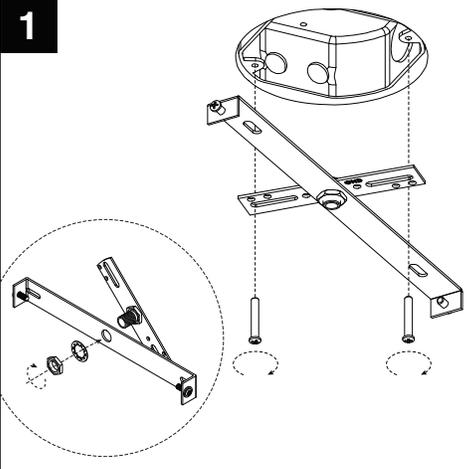

Lighting fixture must be installed by a qualified electrician. Check with local and national codes for proper installation. To prevent electrical shock, disconnect electrical supply before installation or servicing.

OPTION EXTENSIBLE/LINKABLE

Vous avez la possibilité de lier plusieurs bases ensemble afin de créer une fixture plus longue ou plus large sans avoir besoin de plus d'une source d'alimentation. Vous allez avoir besoin du **fil d'extension** fourni dans la boîte. Pour les instructions d'installation, voir au verso.

You have the possibility to link more than one base together to create a longer or larger fixture. Only one electrical source needed. You will need the **linkable wire** provided in the box. For installation instructions, see details at the back

! Laissez 9" minimum de fil entre chaque base.
Leave minimum 9" wire length between each base.

**Ne jamais installer sans la plaque arrière.
Never install without back plate.**
