SPARKLING PATH™
Gondola Shelf Light

UL LISTED • 2 Year Warranty
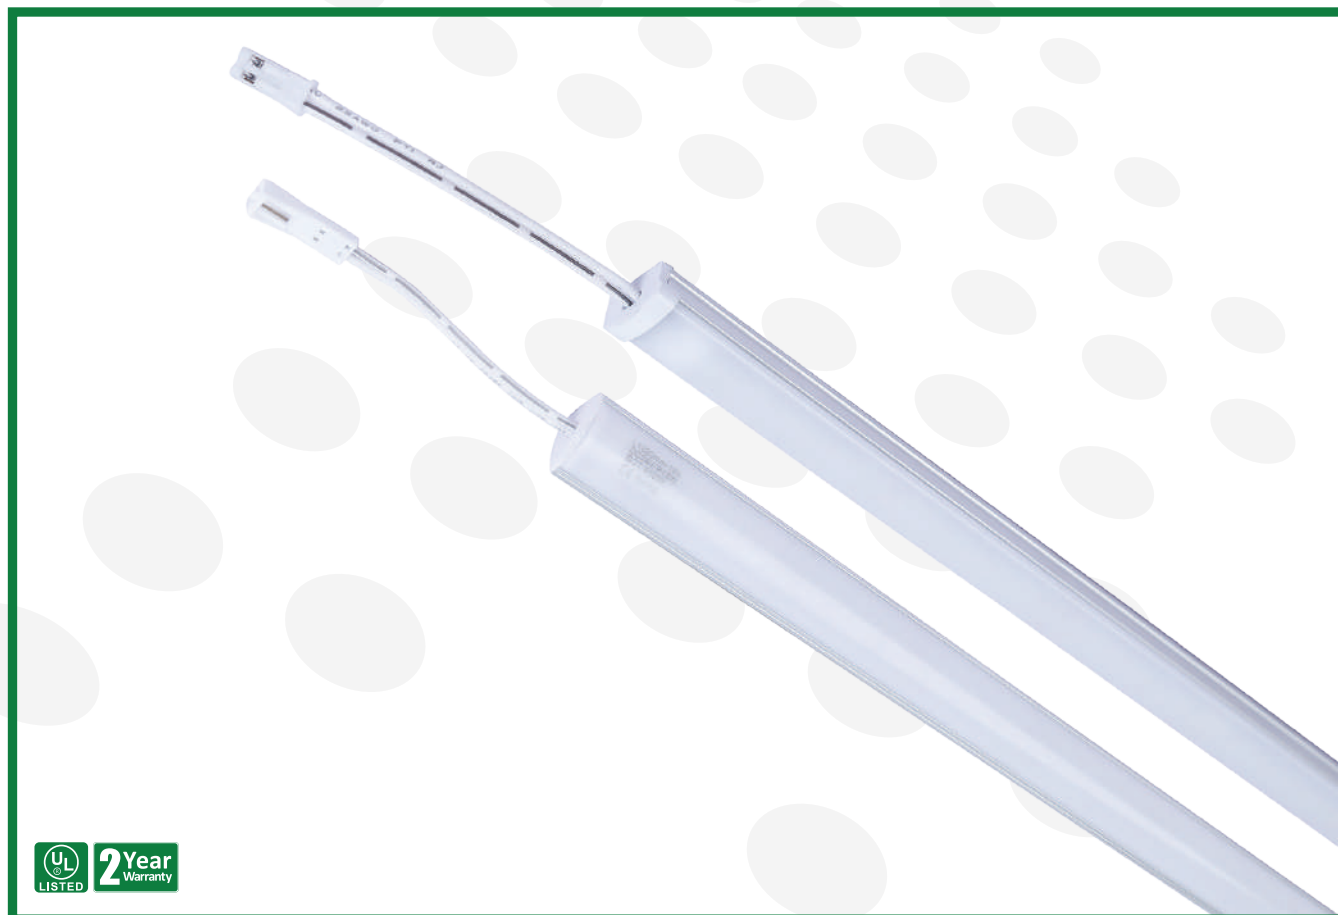

Introducing the SPARKLING PATH, Gondola Shelf Light, a magnetic shelf light specifically designed for gondolas. This versatile light enhances your products, attracting customers and boosting sales by giving your shelves a vibrant and captivating look. It comes in a set of four 4-foot magnetic LED strips that can be connected via a daisy chain or used individually. It's equipped with a magnetic strip for quick and easy installation, no professional help is required. You can connect up to 16 feet using a single power supply or power each light individually.

These lights provide bright, cool white lighting with a 6500K color temperature, 560 lumens per strip, and a high CRI of >80. Available in a V-shape, with a 90° beam angle, they offer versatile design options to suit your display needs. The Gondola Shelf Light is UL-Listed, IP20 rated, and backed by a 2-year warranty, ensuring safety and reliability. Elevate your product display with this innovative lighting solution that gives your shelves a new, enhanced look while illuminating your products effectively. The complete set includes everything needed for installation including shelf lights, magnetic strip, power supply, and connectors ensuring a seamless setup.

Product Features

- 4FT Magnetic LED Strip
- Wattage: 12 Watt/Strip
- Luminous Flux: 560 Lumens
- Color Temperature: 6500K
- Voltage: 24V DC

- CRI: >80
- Beam Angle: 90° / 120º Degree
- UL Listed
- IP20 Rated
- 2 Year warranty
