IMPORTANT SAFETY INSTRUCTIONS

- This portable lamp has a polarized plug (one prong is wider than the other). This plug will only fit in a polarized outlet one way. If the plug does not fit fully in the outlet reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Please do not defeat this safety feature.
- The LED bulb has been permanently installed into this lamp. The LED bulb does not need to be replaced. Do no attempt to remove or replace the LED bulb.
- Although LED bulbs do not get as hot as traditional light bulbs, they still generate some heat. Avoid touching the LED bulb.
- Do not try to modify the plug, cable, adaptor or LED bulb.
- Use a soft cloth when cleaning the lamp. Do not use chemical or abrasive cleaners.
- These important safety warnings do not cover all possible conditions or situations that may occur. Please take care when using this product.
