DESCRIPTION

The LED Wall Sconce Collection from EEL is a work of modern art. Both the WS-T2025-LED and WS-T2026-LED are crafted with 3 double steel lines for a well balanced design. The Wall Sconces are made with a smooth opal lens for an opaque and evenly distributed light source. This sturdy, no-fuss design exemplifies contemporary styling to create a modern, clean look.

SPECIFICATION FEATURES

Construction

Formed fixture pan with access holes to junction box
Aluminum LED module tray directs heat away from electronic components

Electrical

Long life LED System complete electrical driver to deliver the optimal performance
LED's available in a 3000K with a typical CRI: 80
Ambient temperature -40°C to 40°C
Projected life is 50,000 hours

Driver and Module Access

Driver and modules can be accessed by removing the back plate

Mounting

Surface Mount

Finish

Brushed Nickel

Shielding

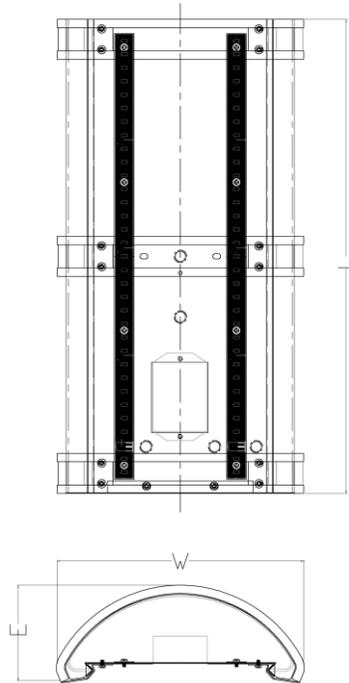

Smooth opal lens

Compliance

cETLus and Energy Star

Warranty

5 years

WS-T2025-LED
