

TRS : TUBE READY STRIP

DESCRIPTION

Tube Ready Strips are designed for maximum flexibility, pre-wired for double ended line voltage T8 LED tubes (Type B) and external driver double ended LED T8 tubes (Type C). These fixtures, coupled with our LED retrofit tubes, provide the end-user with the ability to address their specific needs with maximum ROI: low costs, ease of maintenance, energy savings, and low installation times.

FEATURES

- Pre-wired for bypass/line voltage double-ended LED T8 tubes
- White finish
- Compatible with any suitable T8 LED tubes

LISTINGS

- UL Listed for Dry and Damp Locations

CONSTRUCTION

- Galvanized sheet steel body
- Post-fabrication powder coating for improved corrosion resistance

WARRANTY

- 5 year limited warranty; see eiko.com for warranty details
