

T5 SLIM HIGH PERFORMANCE ARCHITECTURAL COVE LUMINAIRE (2 LAMP)

APPLICATION:

Ideal for coves, shelves, displays or any other retail applications.

PRODUCT FEATURES:

- Exclusively designed for the T5 lamp, the OST5 utilizes small T5 sockets and T5 ballasts
- 2', 3' & 4' housings are designed to be surface, chain, or cable mounted in continuous rows or individually
- Multiple knockouts allow for top side and back mounting
- Heavy-duty 20-gauge steel utilized throughout for durability and code compliance
- Post-painted to insure against exposed metal surfaces
- Pretreated with five-stage iron phosphate process to ensure superior paint adhesion
- Exclusive T5 socket features rotating collar and enclosed contacts
- Row mounting coupler supplied with all luminaires
- Lightweight design enables for quick, easy installation
- Thermally protected, re-setting, Class P NPF, non-PCB and UL listed ballast
- Suitable for dry and damp environments
- NEC required ballast disconnect is standard
