APPLICATION - OPR-LED pendants offer direct ambient illumination. Its clean, classic look provides light over any environment including schools, boardrooms, office areas, hotels, lobbies, restaurants, etc. OPR-LED is suitable for any design application with its variety in sizes.

CONSTRUCTION - Rigid aluminum design ensures longevity and endurance. A high quality, high transmission, glare free lens offers smooth illumination.

PERFORMANCE - The honeycomb light engines found in the OPR-LED are rated at 80+ CRI and are available in multiple CCTs: 3000K, 3500K and 4000K. Rated and tested to LM-79 and LM-80 standards. The LEDs are also binned to a 3-step MacAdam ellipse to achieve consistent color from fixture to fixture.

ELECTRICAL - Powered by high-quality constant-current power LED drivers which are rated for 50 to 60Hz at 120-277V input, produce less than 20% THD, and have a power factor of .90 to 1.00.

DIMMING - The OPR-LED comes standard with 0-10V dimming on either 120, in and 277V. 347V please consult factory. Dimmable down to 1% of initial lumens. Also available in Lutron dimming options. Consult factory for dimmer compatibility.

MOUNTING - Comes standard in ceiling mount or adjustable cable suspension system providing fast installation into a variety of interior heights, including sloped ceilings. Consult factory for additional mounting options.

QUALITY CONTROL - Every fixture is rigorously tested by our QC Department before shipping.

WARRANTY - Limited 5 Year Warranty

LISTING

c-UL-us - Listed for Feed Through Wiring.
