

Enerlites®

DUPLEX RECESSED TAMPER-RESISTANT DECORATOR RESIDENTIAL GRADE RECEPTACLE

MODEL NO: 61501-TRRP

DESCRIPTION

The ENERLITES 61501-TRRP recessed receptacle is made of high-impact resistant polycarbonate thermoplastic for long service life. Its slotted and Phillips screw heads offer greater installation flexibility, and the design allows for easy insertion of properly rated plugs. It provides a solution for flush mounting behind TVs, entertainment centers, and more.

FEATURES

- Optional grounding with self-grounding clip or green terminal screw
- Automatically ground to the metal outlet box
- Break-off tabs for easy two-circuit conversion
- Push-in #14 AWG Cu solid wire for 15A branch circuit only
- Shallow design for maximum wiring room
- Easy-access green hex head grounding screw
- Captive mounting screws
- Removable yoke tabs for ideal alignment
- Large head combination screws for fast wiring
- Terminal screws backed out ready for wiring
- Combination Slot/Phillips head mounting and terminal screws ease installation
