## MOMENTARY DECORATOR SWITCH COMMERCIAL GRADE

MODEL NO: 91245

### DESCRIPTION

The ENERLITES 91245 switch makes installation quick and simple with its versatile design. This switch features side mount wiring as well as push-in wiring on the rear. It is designed to be normally off and momentarily turned on. The impact resistant thermoplastic body is built strong to endure years of use as well as being resistant to a wide temperature range. You can transform the look of your home and increase its resale value with these modern switches.

### FEATURES

- Smooth, quiet paddle action
- Narrow body leaves more room for wires in the box
- High-impact resistant thermoplastic construction
- Removable yoke tabs for ideal alignment
- Captive mounting screws
- Push-in terminals for quick installation
- Easy-access green hex head ground screw
- Various colors available
