

Enerlites®

ADAPTER RING FOR ROUND FLOOR BOX KITS

MODEL NO: ENLC001AR

DESCRIPTION

The ENERLITES ENLC001AR PVC adapter ring allows a single gang duplex receptacle to be mounted inside of an ENERLITES ENLC001 floor box. The adapter ring also allows a 6-inch diameter pop-up floor box cover to be mounted. After the adapter ring has been placed in the PVC floor box, an ENERLITES floor box cover can be placed on top of the ring. The ENLC001AR is only compatible with ENERLITES 6-inch round pop-up covers.

FEATURES

- Nonmetallic PVC construction
- Compatible with ENERLITES 961501-C and 961501-S
