

The smartest way to take control of lights and power, optimized for whole home use.

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, adore® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, dimmers and outlets to build a solution that perfectly fits a home's unique space and needs. Options even include wireless smart switches and dimmers for easily adding 3-way control.

With the Wake/Sleep Wireless Smart Switch with Netatmo, turn a full lighting scene on or off at the touch of a button. Easily programmed through the Legrand Home + Control app, this device lets users group and control a perfect combination of lights for their routine. Position near a nightstand or the door of an en suite bathroom for convenient morning and nighttime control. And with its no-wire design, it can be added to any wall, anywhere. Simply use the included adhesive to mount in minutes.
