

42090-2WS

QuickPlate Tempo Single-Gang Wallplate with ID Windows, 2-Port, White

Leviton patented Single-Gang QuickPlate Tempo Wallplates accept QUICKPORT snap-in modules to support multimedia station applications. They are ideal for use where port designation windows in a one-piece, single-gang, economical flush-mount housing is desired. Wallplates are available with two or four ports.

ROHS Compliant : Yes

UPC Code : 078477709689

Country Of Origin : United States

Features and Benefits

- Patented rear wings tighten to wallboard, eliminating the need for a box or mounting brackets and supporting fast, one-step installation with a flush mount
- Wings accommodate 5/8 inch and under wallboard thickness
- Center lines included as a guide for easy alignment
- ID windows act as marking template for cutting hole in wallboard
- Includes ID designation window for each wallplate
- Patented Design (US Patent 7468487)
- Compatible with all individual QuickPort connectors
- Individual port configurability allows specification flexibility
