

49DSR

Dust Cover Cap for Male or Female Receptacle

Dust Cover for Male/ Female Receptacle, Rhino-Hide Single Pole Connector, Santoprene TPV - BLACK

Designed for the most extreme, demanding conditions, the 49 Series of high amperage devices includes male and female plugs, panel mount receptacles and accessories. They are an ideal solution for installations on both new and existing silicon-controlled rectifiers (SCRs) and generator stations as well as on generator stations and new oil or gas rigs.

- Cast aluminum powder-coated receptacle housing is color-coded for quick visual identification of circuit and phase connections
- TPV cap prevents contamination when receptacle is not in use
- Captive stainless steel clevis bracket accepts industry standard lockout; "X" versions feature 45° for easier access in smaller panels
