Brand Features

The next generation of lighting control technology is here with the new Decora® Digital Dimmer with Bluetooth® technology - a powerful device combining the best of Leviton dimmer and timer functions with today's technology. Just use your smartphone or tablet and the Decora Digital Dimmer & Timer app to control, adjust and time lighting for daily activities or to ensure a "lived-in" look while away. Decora Digital Controls with Bluetooth technology provide local control within a 30 foot* range without the need of a hub, gateway or internet connection, bridging the gap between traditional dimmers and whole-house automation systems.

Item Description

Decora Digital Dimmer and 24 hour Timer with Bluetooth Technology. Universal 300W Dimmable LED and CFL, 600W Incandescent, 120V, 60Hz, Single Pole and 3-Way/Multi-location control, LED locator and brightness display. White face assembled on device, Ivory and Light Almond faces included. Ground wire required for installation. Wallplate sold separately.
