Dusk to Dawn Barn Light

Description:

The Dusk to Dawn Barn Light is the perfect solution for many general purpose outdoor applications. It replaces traditional 100W-175W HID fixtures and can mount directly on a wall or to a pole. The prismatic lens offers a uniform distribution pattern as well as IP65 protection against the elements. All fixtures include a curved arm and photocell for dusk to dawn operation. The fixture also allows the ability to select from three different CCT's and change to a different c-Max control which can add motion sensing, grouping and scheduling capabilities. The 60W is wattage selectable and both versions have a high voltage (277-480V) factory installed option available. The Maxlite Barn Light offers the perfect economical area and security lighting solution.

Features:

- 120-277V 50/60Hz, High Voltage 277-480V factory installed option available
- 60W is wattage selectable (36/48/60W)
- CCT Selectable between 3/4/5K

Installation:

- Direct Wall Mount
- Pole Mount
- 24" curved arm included (18" projection)
- Neck accommodates 1 5/8" and 2 3/8" (retrofits) OD brackets

Construction:

- Die Cast Aluminum housing with corrosion resistant powder coat finish (grey)
- Impact resistant, UV stabilized polycarbonate prismatic lens
- 24" curved aluminum arm with hardware

Listings:

- UL listed for Wet Locations, Outdoor
- IP65
- DLC Premium

Controls:

- Includes c-Max photocell
- Controls receptacle allows photocell to be replaced by different field installable c-Max controls (see Accessories chart)
- Third party control systems also available

Ordering Information

FAMILY	WATTAGE	VOLTAGE	DISTRIBUTION	-	CCT	FINISH	OPTIONS
DBL= Dusk to Dawn Barn Light	40= 40W	U= 120-277V	T5= Type V		CS= CCT Selectable (3/4/5K)***	G= Grey <i>Contact Maxlite for additional finishes</i>	PN= c-Max Photocell included <i>Additional field installable c-Max controls available, see Accessory chart below.</i>
	60= Wattage Selectable (36W,48W,60W)*	U= 120-277V H= 277-480V**			WCS= CCT/Watt Selectable (3/4/5K and 36/48/60W)***		

*Default wattage for the 60W wattage selectable is 60W
 **Bi-level dimming not available in HV
 ***Based on CCT Selected and color mixing, all LEDs may not be activated

5-year standard warranty with labor allowance* (further details available at www.maxlite.com/warranties)
 Product may be eligible for a warranty extension to 10 years, for an additional fee. Contact MaxLite for details.
