

## LED WALL PACKS

### M-WP25-3CCT+W

#### WARNING

**WARNING — THE INSTALLATION MUST BE CARRIED OUT BY A QUALIFIED ELECTRICIAN.**

- LED Wall packs are suitable for using in wet, dry and damp locations
- Please keep the LED Wall packs away from any corrosive substance, and please use dry cloth when you clean it
- LED Wall packs can be installed by a qualified electrician
- Before installation or maintenance, please disconnect the power to prevent electric shock

#### APPLICATION NOTICE

- **DO NOT** exceed using the standard working voltage
- **BE SURE** the power supply is turned off before installation
- **SWITCH OFF** power of main supply or the connection lead respectively before doing any works
- Please note waterproof, dustproof, electricity prevention and shockproof for the external power wires
- **BE SURE** the connection between the wires is in good condition when installing the lamps, beware of leakage

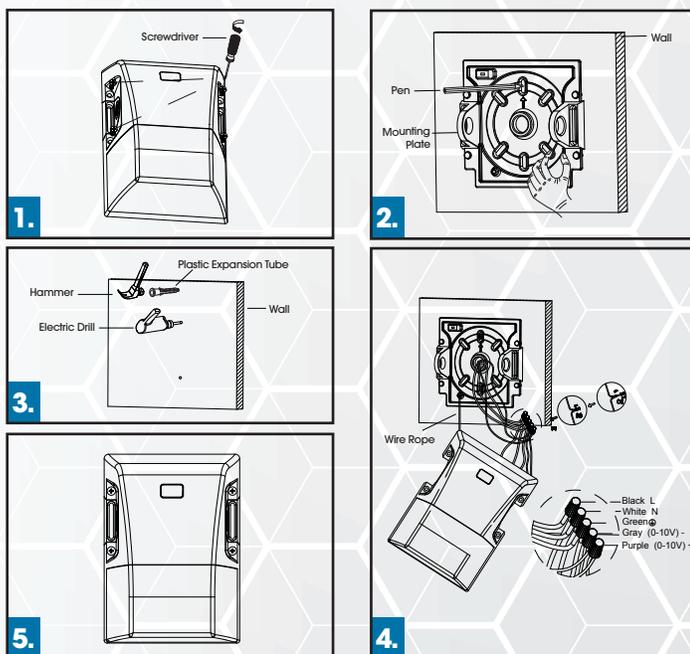

#### CAUTION

**PLEASE READ INSTRUCTION BEFORE COMMENCING INSTALLATION AND RETAIN FOR FUTURE REFERENCES.**

**Electrical products can cause death or injury, or damage to property. If in any doubt about the installation or use of this product, consult a competent electrician.**

#### INSTALLATION GUIDE

#### INSTRUCTIONS:

**STEP 1:** Disassemble the fixing screws of the lamp mounting plate with a screwdriver and remove the mounting plate.

**STEP 2:** After knocking out the mounting holes with a hammer (at least 2 mounting holes and they should be in a symmetrical position), press the bracket on the wall with your hand and mark with the pen at the mounting screw position.

**STEP 3:** Use the electric drill to punch the hole at the mark position  $\varnothing 8\text{mm}$ , depth 40mm; and use a hammer to drive the plastic expansion tube into the hole.

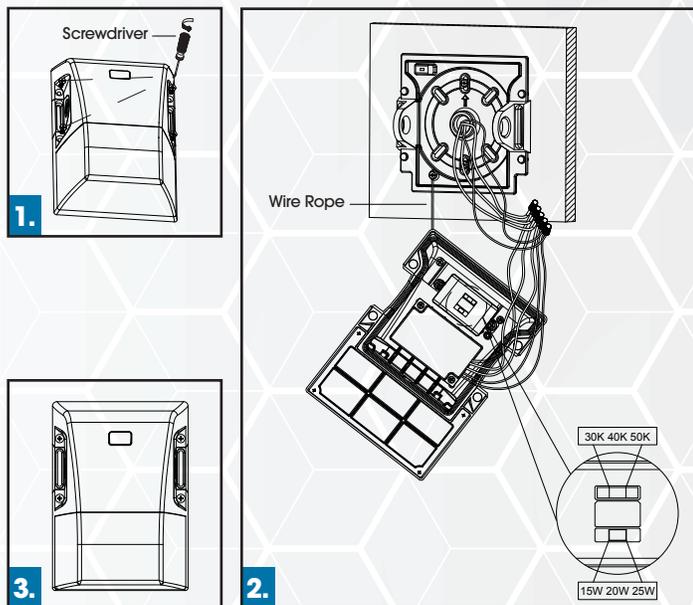

**STEP 4:** Fix the bracket with a screwdriver, and fix the fixture installation wire rope on the mounting plate, connect the cable as shown and do a good waterproof treatment.

**STEP 5:** Put the lamp back on the mounting plate and secure the screws to complete the installation.
