

MODEL ODB-100

HIGHLIGHTS

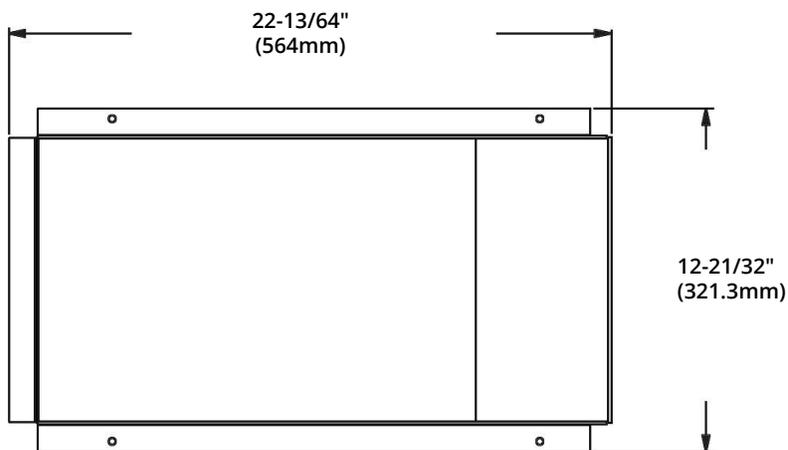

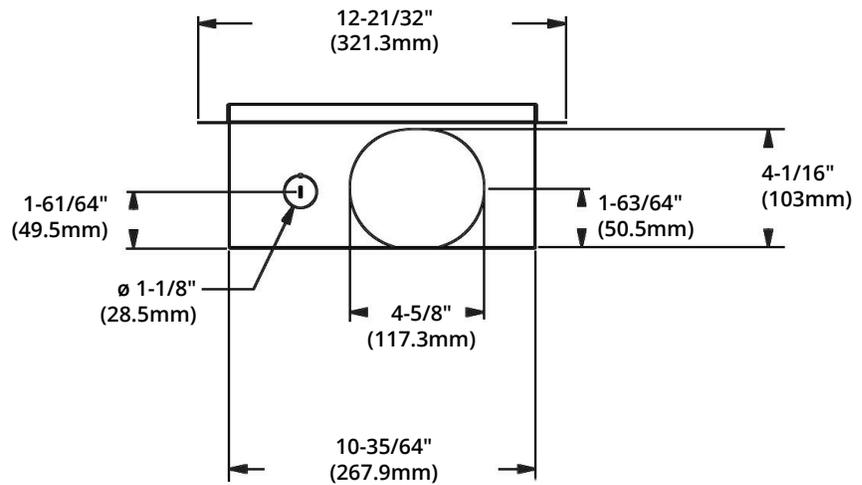

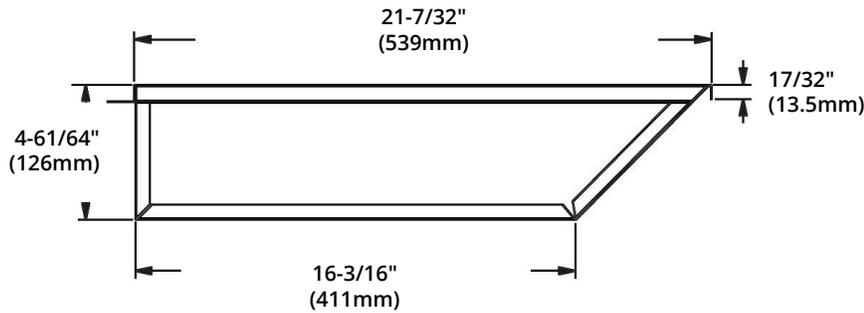

- Residential grade Dryer Boxes for placing the dryer flush to the wall without crushing the exhaust hose or restricting airflow
- Has a cleaner and more professional finish and makes homes safer, more spacious and efficient environments
- Allows the dryer to perform at its peak efficiency by reducing one 90° elbow from the dryer exhaust system
- Protects exhaust duct in the wall and gives the dryer some space
- Saves space and energy and contributes to reducing fire hazard
