

LED Linear Strip Lights

ORTECH

Product Specification Sheet

MODEL OL4-ST4FT 347V | OL4-ST8FT 347V

HIGHLIGHTS

- Provides very uniform and comfortable light
- Both surface and suspension mounting possible
- No shadow at the edges & connection: transparent caps with connection brackets
- Very convenient for surface mounted installation, as well as big save on labour cost
- With "Press-to-open (tool-free)" buttons on the housing, which makes it easy for daisy connection
- 4 feet (OL4-ST4FT 347V) and 8 feet (OL4-ST8FT 347V) LED linear strip light with excellent lighting effects
- Very attentive to details: Use stainless steel wire for ensuring convenience & safety while installing/wiring
