*Standard

DESCRIPTION

The DVAKSX-LED14 is a versatile fixture that can be used in industrial and architectural applications. The fixture is available in custom colours and has a variety of globe and guard accessories. Not for use in hazardous locations.

APPLICATIONS

Entrances

Stairwells

Tunnels

Service Areas

Restaurants

Elevator Shafts

FEATURES

- Sleek, modern look with the same ruggedness as the original DVAKS fixture.

- 10 minute retrofit. Retrofits to existing 4" round/octagon boxes.

- Polycarbonate lens can be easily replaced with glass globe and guard to provide a different look.

- Precision die cast aluminum housing with powder coat paint finish for industrial and architectural applications.

- Grey polyester powder coat paint finish for protection against oxidization.

ACCESSORIES

RAB Design carries a diverse line of durable and cost efficient glass globes.
They come in various finishes, which include impregnated colours.
