

## LL23 HEAD

*The LL series of pagoda garden fixtures have a classic look and are designed to withstand the Canadian environment. All LL series are cast units. The LL23 has 4 tiers with a clear glass globe. Maximum wattage is 100 incandescent.*

**TIERS** Precision die cast with a powder coat paint finish.

**BOTTOM FITTER** Precision die cast with internal threads for holding glass globe. Bottom of fitter is threaded for 1/2 NPS pipe. Tiers are mounted to bottom fitter with stainless steel set screws. Bottom fitter has a powder coat paint finish.

**GLASS** Clear glass with threading. Replacement glass is GL100

**SOCKET** Medium base 4KV pulse-rated socket with a nickle-plated screw shell and a spring-loaded centre contact.

**HARDWARE** All external hardware is stainless steel.

**FINISH** Standard finishes are black and green. Custom colours are available. Please consult factory.

**LAMP** Not included

**ACCESSORIES** The following can be ordered separately.

**Pipe extensions** 1/2" NPS threaded available in 12" or 18" Lengths. Cat ST-12 and ST-18

**Stakes** 7" long 1/2" NPS threaded. Cat R171 Female and R170 Male.
