

PROMENADE BY THORN

This stylish circular bollard with the emphasis on simple design and solid structure, expresses safety, strength and harmony in today's urban lighting designs.

HEAD AND SHAFT Aluminum shaft with a powder coat finish with two mounting options. The head is made of cast aluminum with a powder coat finish and is secured to the shaft with stainless steel screws.

DIFFUSER Top cone is sand blasted polycarbonate. The main diffuser is a clear polycarbonate with an internal sand-blasted band to remove glare from the lamp.

BALLAST All ballasts for Metal Halide are Tri-Tap 120,277,347 volts for 50 and 70 watts. High Pressure Sodium ballasts are available as Tri-Tap 120,277,347 volts in 50 and 70 watts.

MOUNTING This unit has two mounting options. The first is with anchor bolts. The second is a root mounting system that is common in Europe.

LAMP Not included.

SOCKET Medium base 4KV pulse-rated socket with a nickel-plated screw shell and a spring-loaded centre contact.

FINISH Standard finishes are Bronze, Black and White. Custom colours are available upon request.

OPTIONS House side cut-off and tamper proof hardware.
