

## VAS100 WEATHER PROOF

*The VAS100 fixture is weather proof rated for use indoors and outdoors, for mounting to an existing electrical wiring box.*

*Great for use in industrial applications or for residential and commercial applications where you want an industrial. The VAS100 is also available with a powder coat paint finish.*

**FITTER** Threaded die cast with cork gaskets.

**SOCKET** Porcelain, medium base, 4KV pulse rated socket with a nickle-plated screw shell and a spring-loaded centre contact.

**GLOBE** Standard unit comes with clear globe, also available are clear prismatic, frosted and coloured globes. There are two types of coloured globes available. The GL glass is painted on the inside. The second type of glass is the RGL series, which has a more brilliant colour. This is achieved by having the colour added while the glass is being made. Both types of glass are available in the following colours amber, blue, green, red and white.

**MAXIMUM WATTAGE** 100w incandescent.

**APPROVAL** CSA

**LAMP** Not included

**FINISH** Standard finish is raw. Also available with a powder coat paint finish. Some of the most common colours are black, red, white and blue. For other colours please consult factory.
