DLC Model# WPD-50NA

Description
Venture Lighting's VWallpax luminaires are low profile, light weight, and designed for long life with low maintenance and great performance. These LED luminaires are designed to quickly and easily upgrade existing wall pack fixtures.

Construction
Rugged die cast housing finished in a durable powder coat finish and with glass lens. The high performance LED sources are mounted to ensure proper thermal management of the system. The design allows for a cooler running LED chip which leads to longer lifetime, better efficacy, and color consistency and sealed to eliminate the threat of contaminants damaging the components. The standard fixture color is bronze, custom colors available upon request.

Electrical
The power supply has a range of 120-277V, 50/60 Hz. The luminaires are rated for wet locations. Button photocell accessory can easily be mounted into the fixture. These fixtures are not dimmable.

Mounting
Each fixture is easily installed to a standard recessed junction box. Slipfitter conversion kit can be used for flood lighting applications.

Product Performance	
Wattage	50W
Lumen Output	5420
Correlated Color Temperature (CCT)	4000K
Color Rendering Index (CRI)	75
Lumen Maintenance @50,000 hours*	99%
Calculated L70 @ 25°C Ambient in Hours*	>500,000
Replaces HID Wattage	175W
Operating Temperature Range	-40°F to 104°F (-40°C to 40°C)

Physical Characteristics	
Fixture Color	Bronze
Weight	9.9 lbs
Width	5.94"
Length	11.81"
Height	10.24"

Electrical Characteristics	
Amperage Draw (Input Volts/Amps)	120/0.42 208/0.27 240/0.23 277/0.21
Surge Protection	10kA
